| **Background** | LWC provides a One Stop Shop integrated mental health, emotional and social wellbeing gender specific service for women across Lancashire. We have four 'drop in' centres in Accrington, Blackburn, Burnley and Blackpool and a network of outreach centres across Lancashire from which we support women through provision of a package of services designed to address issues of mental health and emotional wellbeing; debt, poor housing and poverty; employability & skills development; confidence, self-esteem and personal development. |
| **Objective** | LWC has a strong track record in the delivery of successful and evidenced based interventions specifically supporting the most vulnerable women in our community, with a number of targeted programmes supporting women at all stages in the CJS And delivered through commissions from partners including NHS; Lancs. PCC; Achieve NW; Lancashire Probation Trust; local CSP's. We are able to offer a complete programme of support for women under the NOMS Round 3 Programme drawing upon our extensive experience of supporting this client group and our current delivery under Round 2. Provision would further benefit from delivery within our wider 'one stop shop' setting – enabling significant added value to our proposal and the achievements of sustainable personal development and employment outcomes for women. |
| **Interests** | - Gender Specific Provision<br>- Mental and Emotional Health (including stepped care provision under IAPT)<br>- CJS – current programmes work in: police custody; community setting; HMP Styal<br>- Personal Skills Development – group work; rolling training programme; volunteering opportunities; social inclusion activity.<br>- Professional Skills Development – Accredited Training (NCFE Licenced Provider) IT Skills Development; Volunteering; Work Placement (retail and administration roles)<br>- Job search – Training; One to One Case work; LWC devised programme 'Ready, Steady, Go'; IT Skills and access; practical support (securing ID; interview clothes) |
| **Area of Delivery** | LWC currently deliver across the Lancashire geographic footprint, including Blackburn and Blackpool. We are also extending our provision into Cumbria and will shortly be up and running with a developing service in this county. We operate from four female only centres in Accrington, Blackburn, Burnley and Blackpool and are in the process of opening a centre in Lancaster. We provide further coverage across the county through a network of outreach provision operating from community / probation venues. |
