Background	Just Ask Consultancy Ltd, (JAC) provides a range of consultancy and bid/tender support services to organisations across the public, private and third sector. Formed at the end of 2012 we specialise in supporting organisations with a social purpose to solve business challenges, identify and access funding or investment opportunities and generally support business growth, development. In the last 18 months we have worked with a wide range of organisations including local and national charities, FE colleges, welfare to work providers, and multinational businesses including 02, Mars and Lonza. We have developed a recent expertise in Transforming Rehabilitation having supported the bidding process for one of the potential Prime's and supported several potential tier 2 & 3 subcontractors during the current MOJ TR procurement. Prior to that we supported the development of a successful large tender on behalf of a National FE College Group and led the development of significant ESF tenders with consortia of colleges in London.
Objective	To identify organisations who would like to engage our services to support them with the development of their tenders, delivery model and supply chains for the NOMS CFO procurement process;
Interests	Transforming Rehabilitation, Third Sector Engagement, Support for offenders with multiple needs including disability, Female offender support, Social Enterprise development, Employment support programme development;
Area of Delivery	Bid Development, Partnership Development, Supply Chain Development, Engagement with the third sector;
