# Getting help to find a job.

During your time in prison there are a number of ways in which you can help your chances of getting a job when you leave:

- Going to lessons for help with your reading, writing or numbers
- Attending courses or programmes
- Doing work on the wing or in other parts of the prison
- Learning a trade
- Getting help applying for jobs or in finding other support when you go out

There are people who can help you – your wing officer can tell you more.

## **Just so you know**

We receive money from the European Social Fund (ESF) to help pay for this support.
