Organisation:	<u>North bank Forum</u>	Mobile No:	<u>07794181955</u>
Address:	<u>2nd Floor, 94 Alfred Gelder Street, Hull. HU1 2An</u>	Web site:	<u>www.northbankforum.org.uk</u>
Name of consortium:	<u>Hull and Humber Pathways Consortium</u>		

Background

Please tell us why your proposed consortium came together and when you plan to be operational:

Our proposed consortium plans to be operational by the end of June. We came together as a consortium as we wanted to bring together a range of SE's to support some of the most difficult to reach, socially excluded or disengaged people in our community in a meaningful and enabling way. The outcome will be to enhance the individual's ability to realise their full potential, promoting social inclusion and so having a positive impact on reducing reoffending. Our consortium provides the widest reach in order for us to achieve our aims.

Objective

What does your consortium aim to achieve and deliver when it is operational?

We aim to:

Ensure that local SE's are better placed to participate and add value to current and future

CFO programmes

Provide additionality and social value in a diverse supply chain that is able to provide economy scale in provision and deliver greater community impact

Support ex-offenders into sustainable employment, decreasing dependency on benefits, reducing the burden on the sub regional economy, reducing reoffending and the impact of these factors on the wider community

What stakeholder groups will benefit from your consortium's offer?

We expect a wide range of stakeholders will benefit including statutory bodies, VCS organisations, ex-offenders, SE's and local prisons.

Partners

What areas do your consortium partners cover?

Our partners cover a geographical area of the Humber sub-region. In terms of delivery they cover the following: infrastructure support specialising in health and social care; workforce and volunteer training and development; new business and social enterprise support; mental health support; advice and guidance and ex-offender programmes.
